

Our children and families continue to amaze us with your incredible determination, positive attitudes and commitment to learning. Attendance to live lessons remains extremely high and we continue to have almost 100% pupil engagement with Seesaw. This is no small achievement and we thank you for your incredible support and dedication.

If you are interested, on the 11th February the consultant we have worked alongside to create our English Curriculum is offering a free seminar for parents to help them support reading at home. Gareth is always engaging, realistic & incredibly knowledgeable and we have always walked away from his training feeling inspired. Details can be found at <https://twitter.com/LiteracyCounts1/status/1355044179622187010>

A collage of various student projects. On the left is a calendar with a grid of dates, each containing a small drawing or text. Next to it is a book cover with a colorful illustration of a landscape. To the right is a collage of several small photographs of students. Below the collage is a map of a region, with a label 'The Captain's Journey' pointing to a specific location. On the far right is a book cover featuring a photograph of a student and a sign that says 'IT'S THE FUTURE'.

Our lovely Mrs Stroud has made the difficult decision to finish her time with us here at Mill View to allow more time to care for and spend time with family. Mrs Stroud will be greatly missed by all of us on the team. Her endless kindness, encouragement, thought and care is so gratefully received by children and staff alike. Mrs Stroud has a fabulous sense of humour that has really helped us through many times when laughter was just the thing we have needed. She is also an incredibly skilled practitioner who has supported children to make remarkable progress and achievements over the years and I have no doubt she is remembered fondly by many children who have passed through our doors. We hope that she will keep coming back to cheer us up over the coming months and to let us know how she is getting on. On Friday 12th Feb at 2.30pm our assembly will be a farewell celebration for both Mrs Stroud and Mrs Morris, please join us to wish them well.

Donations for Devices

A huge thank you to our families who have made donations to ensure all of our children have adequate access to a digital device. Some of you have been incredibly generous and we were very shocked when we went to look to see if any donations had been made! Together you have raised £874, this will be added to the £2000 kindly donated by our PTA and money from school funds to purchase what is needed. This will make a huge difference to some of our families and will ensure that every child can access learning while not attending school.

Every week we make telephone contact with our families at home to catch up and say hello, over the next couple of weeks class teachers will be making these calls with the hope that they might be able to say hello to the children too. If there is a particular day that works best please let them know. If you would prefer we didn't call that is absolutely fine, just make contact with myself or Mrs Gibbons so we can make a note on our records.

We wish you a happy and safe week ahead.

Kindest regards,

Mrs Doyle & The MVP TEAM

Dates to add to your diary - further dates will be added as events are arranged so please do check each newsletter for changes.	
Whole school family zoom assembly ID: 864 4334 3251 Passcode: celebrate If your child is receiving a celebration assembly postcard their class teacher will let you know via Seesaw	Every Friday 2.30pm
