British Values				
<b>Democracy</b> Consider how citizens can influence decision making through democratic process, encourage respect for and participation in democratic processes	Rule of Law Distinguish right from wrong. Develop a respect and an understanding that it protects what is essential for wellbeing a safety. The role of the police and courts in maintaining the rule of law	Individual Liberty The freedom to choose and hold other faiths and beliefs is protected in law	Mutual Respect The importance of identifying and combatting discrimination	Tolerance of those with Different Faiths and Beliefs Other people having different faiths and beliefs to us (or having none) should be accepted and tolerated, and should not be the cause of discriminatory behaviour
RHSE Relationships To be able to listen to and respond to a wide range of people To feel confident to raise and express my own concerns RHSE Democracy and Citizenship To understand the role and function of Parliament in the UK To identify the role of the House of Commons To articulate issues which are important to me and share these with my MP I know ways to make a change in the world around me To know the role of the House of Lords	RHSE Relationships To understand the concept of keeping a secret and when it is and isn't appropriate RHSE Living in the Wider World To understand that choices I make affect people round me RHSE Drugs and Alcohol To know some laws about drinking alcohol	RHSE Relationships To understand the importance of permission seeking and giving in relationships To look after my mental health To recognise unsafe feelings RHSE Living in the Wider World When should I be assertive? RHSE Health and Wellbeing To understand what is a balanced lifestyle Why am I incredible? To recognise that my emotions might change and to manage them	RHSE Relationships To understand what physical contact is acceptable and unacceptable To develop strategies to solve conflict and dispute RHSE Living in the Wider World How do we show acceptance? RHSE Health and Wellbeing To understand that it is hard to be assertive sometimes RHSE Sex and Relationships To explore respect in a range of relationships, including online To discuss the characteristics of healthy relationships	RHSE Relationships To help someone else accept difference RHSE Living in the Wider World How are customs around the world different? RHSE Health and Wellbeing To know we have more in common than divide us

Data Collection A Data Collection B Sustainability - Energy Data Collection C Food Chains
---

<ul> <li>Identify how things change over the year</li> </ul>		area; Identify how things change over the year	<ul> <li>Recognise renewal and non-renewable energy</li> <li>Identify some ways we can reduce our energy usage</li> </ul>	data I have collected.	food chains
Can I ask questions about why environments change and use the answers to draw conclusions? Can I explore and use classification keys to help group, identify and name a variety of living things?	Can I systematically observe and group materials by whether they are a solid, liquid or gas? Can I explain the part played by evaporation and condensation in the water cycle and associate the rate of evaporation with temperature after a practical enquiry? Can I report what happens when materials change state through my own observations?	Can I explain how sounds are made and the role of vibrations? Can I enquire how sounds change with distance and present my findings in different ways? Through enquiry can I predict and find patterns between the pitch of a sound and features of the object that produced it? Can I observe then explain how patterns between the volume of a sound and the strength of the vibrations that produced it?	Can I identify common appliances that run on electricity? Can I explain how a series electrical circuits work and create my own? Can I test the role of a switch in an electrical circuit and present my findings? Can I recognise similarities in some common conductors?	Can I use scientific language to describe the digestive system? Can I identify teeth and explain the differences in their functions? Can I construct and interpret a variety of food chains, identifying producers, predators and prey?	Can I identify ways animals can be sorted? Can I explain that animals live within different habitats? Can I create and use classification keys as a way of separating living things?
Can I analyse data in a variety of ways?		Can I analyse data in a variety of ways?	Can I identify ways I can reduce my own energy usage?	Can I compare and draw conclusions from data I have collected?	Can I draw food chains and interpret them?
How can we improve o	ur local area?	A European Journey		Ground Breakers

Developing a sense of place, space and scale Conducting fieldwork	<ul> <li>use fieldwork to observe, measure, record and present the human and physical features, using a range of methods, including sketch maps, plans and graphs and digital technologies</li> <li>Explain how a geographer works to research by asking questions, collect information and answer questions using their field work;</li> </ul>	<ul> <li>present the human and physical features, using a range of methods, including sketch maps, plans and graphs and digital technologies</li> <li>Explain how a geographer works to research by asking questions, collect information and answer</li> <li>Plot journeys of Vikings on maps, suggesting what might have been trials of that geographical location along the way and geographical reasons for wanting to invade new locations</li> </ul>				
Big Ideas and Key Assessment Questions	Research Can I locate our area on a range of maps and find physical and human features of our local area? What services are available in our locality? Can I collect and record evidence? Can I suggest improvements to my locality based on my research? Can I explain how geographers use research to improve our world?	Culture What are the countries, rivers and mountains of Europe called and where are they? What are the human and physical features of some European countries? How are capital cities different?	Observation Why do volcanoes exist? Are volcanoes always dangerous? How can we tell if an eruption is likely to occur? How and why do people choose to live closely to volcanoes? What would it be like to experience one of these events?			
History	Invasion in Britain -Iron Age Celts and Roman Invasion	Viking Invasion – Vicious or Victorious;	Romans - Pompeii Study (How do we know about ordinary Roman Life?)			
Making interpretations and raising questions Explaining significance Finding similarities and differences Seeing change and continuity	<ul> <li>Ask different types of questions about the past and</li> <li>Place events, artefacts and historical figures on a tin</li> <li>use dates and terms when describing events;</li> <li>Understand the concept of change over time, repressing suggest connections, contrasts and trends over time</li> <li>Use a range of primary and secondary sources to ge</li> <li>I can compare the life of Romans and Celts;</li> <li>I know why the Romans came to Britain;</li> <li>I know what it might have been like for a Roman soldiers in Britain;</li> <li>I can explain features of Iron Age Celtic life and how it compared with Roman life.</li> <li>I know some ways that the Romans changed life in Britain.</li> </ul>	<ul> <li>he line using dates</li> <li>senting this, along with evidence, on a time line.</li> <li>and place;</li> <li>t an idea of what it was like at that time;</li> <li>I know why the Anglo Saxons settled in Britain;</li> <li>I know where the Vikings came to Britain from;</li> <li>I can place the Viking invasion of Britain with in my existing knowledge;</li> <li>I know some features of Anglo-Saxon and Viking life;</li> <li>I know some reasons why the Vikings were successful invaders;</li> </ul>	<ul> <li>I know facts about the events of Pompeii;</li> <li>I know how we can use what was found in Pompeii to learn about the life of everyday Romans;</li> <li>I know how life was different for rich and poor Romans;</li> <li>I can give details about Pliny the Younger and what he witnessed;</li> </ul>			
Identifying causes		I can identify some legacies from the Viking and	I know some details of artefacts found at Pompeii.			

Observice different accounts of a historical event, replaining some of the reasons why the accounts may differ <ul> <li>Begin to see how this 'tra' links to other areas of accounts may differ</li> <li>Use terms like 'invasion' and' settlement' - be able to give examples, be able to explain why people may have different experiences of them, share examples of these through different times in history</li> <li>Find places formans then Vikings settled on a map and suggest geographical reasons why this might be</li> <li>Describe the characteristic features of the past, including ideas, beliefs, attitudes and explain how experiences of men, women and children need considering together to give a full view of an era era</li> <li>Use terms, time explain how experiences of men, women and children need considering together to give a full view of an era era</li> <li>Use garopriate listorical vocabulary to communicate, including ideas, beliefs, attitudes and explain how experiences of men, women and children need considering together to give a full view of an era era</li> <li>Use garopriate listorical vocabulary to communicate, including: dates; time period; era; change; chronology</li> <li>Use literasy, numerasy and computing skills to a good standard in order to communicate information about the past – think about how to share this clearly with other people</li> <li>Invasion and Settlement Can nake links across and in my learning Lan nakelinks across and in my learning Lan nakelinks across and in my learning Lan substry whinking</li> <li>Lan anake links across and in my learning Lan substry my thinking</li> <li>Lan anake links across and in my learning Lan substry whinking liten show opel may think differently about the same event/person</li> <li>Lan develop an understanding of concepts</li> <li>What was tilke in Britain Before the Romans araived?</li> <li>Why</li></ul>				
Big Ideas and Key Assessment Questions       Invasion and Settlement       Invasion and Settlement         I can raise complex questions       I can raise complex questions       I can raise complex questions         I can make links across and in my learning I can justify my thinking       I can make links across and in my learning       I can make links across and in my learning         I can show people may think differently about the same event/person I can develop an understanding of concepts       I can show people may think differently about the same event/person       I can show people may think differently about the same event/person         What was it like in Britain before the Romans arrived? Explain some reasons why the Romans come to Britain What changes did the Romans make to life in Britain?       Why did the Anglo-Saxons settle in Britain?       I can develop an understanding of concepts         How did the Vikings travel?       How do we know about Anglo-Saxon and Viking life? How and where did the Vikings travel?       I can use primary sources, asking lots of questions, and identifying what the source can and cannot show me I can use primary sources to find out about life in Roman		<ul> <li>event, explaining some of the reasons why the accounts may differ</li> <li>Use terms like 'invasion' and 'settlement' - be able to give examples, be able to explain why people may have different experiences of them, share examples of these through different times in history</li> <li>Find places Romans then Vikings settled on a map and suggest geographical reasons why this might be</li> <li>Describe the characteristic features of the past, including ideas, beliefs, attitudes and explain how experiences of men, women and children need considering together to give a full view of an</li> </ul>	<ul> <li>history they have studied</li> <li>Use terms like 'invasion' and 'settlement' - be able to give examples, be able to explain why people may have different experiences of them, share examples of these through different times in history</li> <li>Find places Romans then Vikings settled on a map and suggest geographical reasons why this might be</li> <li>describe the characteristic features of the past, including ideas, beliefs, attitudes and explain how experiences of men, women and children need considering together to give a full view of an era</li> <li>use appropriate historical vocabulary to communicate, including: dates; time period; era; change; chronology</li> <li>Use literacy, numeracy and computing skills to a good standard in order to communicate information about the past – think about how to</li> </ul>	<ul> <li>studying the past</li> <li>Use primary sources to ask and answer questions</li> <li>describe the characteristic features of the past, including ideas, beliefs, attitudes and explain how experiences of men, women and children need considering together to give a full view of an era</li> <li>Explain how different people may have had a different experience of living at the same time e.g.</li> </ul>
Online Safety – 1 session before each unit	Key Assessment	I can raise complex questions I can make links across and in my learning I can justify my thinking I can show people may think differently about the same event/person I can develop an understanding of concepts What was it like in Britain before the Romans arrived? Explain some reasons why the Romans come to Britain What changes did the Romans make to life in Britain?	Invasion and Settlement I can raise complex questions I can make links across and in my learning I can justify my thinking I can show people may think differently about the same event/person I can develop an understanding of concepts Why did the Anglo-Saxons settle in Britain? Why do people have different views of the Vikings? How did the Vikings change Britain? How do we know about Anglo-Saxon and Viking life? How and where did the Vikings travel? Why do we need a range of sources when studying	I can raise complex questions I can make links across and in my learning I can justify my thinking I can show people may think differently about the same event/person I can develop an understanding of concepts I can develop an understanding of concepts I can describe a timeline of events in the eruption of Vesuvius I can identify what life was like in Pompeii for different groups of Roman people I can use primary sources, asking lots of questions, and identifying what the source can and cannot show me I can use primary sources to find out about life in Roman
