

Dear Families,

What an incredible Summer Term we have had here at Mill View. As a community we have so much to celebrate and reflect on at the end of an absolutely fabulous year. We are so proud of what we have all achieved and I remain constantly amazed by the energy and motivation of our children and staff to keep striving and reaching to be the best they can be, for themselves and for our TEAM. It has been a full year of exciting and deep learning experiences, trips, residential visits, sports, performances and community events that make our school such a special place to learn and grow.

Tomorrow we say goodbye to our Eagles, who will be soon starting their next chapter at High School. They are a fabulous group of young people who represent everything we want our learners to be as they leave us. They have each shown themselves to be such kind, respectful, hardworking individuals who have been so reflective and determined to be the best versions of themselves, it has been a privilege to teach them and I thank them for being such excellent role models to us all. We will miss them of course, but we celebrate that they are all ready for this next stage and have the attitude and skills they need to make every success of the opportunities and challenges waiting for them.

Staff, Governors and I'm sure parents were very pleased with the results our children achieved following their end of Key Stage Two assessment tests (SATs). As a school we are incredibly proud of the work ethic, determination and commitment every child has shown in abundance and were pleased that this was reflected in the results. We are also incredibly proud that we remained absolutely committed to providing a broad and balanced curriculum for every child across our school, despite the pressure that national testing and school comparison can bring. Our end of Key Stage data along with provisional national averages can be found in this table for your information.

Subject	Percentage of pupils achieving the expected standard	
	School	Nationally
Reading	97%	74%
Grammar, Punctuation & Spelling (SPaG)	100%	72%
Maths	93%	71%
Writing	90%	69%
Science	97%	79%
Children achieving age related standard in Reading, Writing & Maths	90%	59%

Throughout the year we have worked to raise awareness and support for many different charities. I'm delighted to share that together we have raised an incredible £6360.24 through the different events and days we have arranged. This total does not include the £2300 our staff TEAM also raised by walking 26 miles for Macmillan, what an achievement! This money has gone to a range of different charities chosen by the children and will undoubtedly make a difference to those who need it most. Well done everyone and thank you for the support you have given to help us achieve this fantastic amount!

We wish you all a very happy and restful break away from the day to day routine of the school week and very much look forward to welcoming you back in September. Although there will be no home learning set over the holiday, we strongly advise that you still encourage children to keep reading, practicing their mental maths skills and taking opportunities to write while they are at home so they hit the ground running in September.

Thank you for your care, support and trust,

Mrs Doyle & the Mill View TEAM

A round up of just some of the fabulous things that have taken place this term...

Dates to add to your diary - further dates will be added and alterations may be need to be made so please do check each newsletter for any changes.
